results that contradict the official propaganda on the Wuhan coronavirus (Covid-19), climate change, and other prominent issues.

Last fall, the WEF held its Sustainable Development Impact Meetings around the same time as the UN General Assembly meeting. At both events, the issue was discussed at length with both entities claiming that they "own the science" through their control of Silicon Valley.

"We own the science and we think that the world should know it, and the platforms themselves also do," was one of the arrogant statements made at the meetings.

"If you Google 'climate change,' you will, at the top of your search, you will get all kinds of UN resources," said another about one of the outcomes of this collusion.

"Another really key strategy we had was to deploy influencers ... influencers who were really keen, who have huge followings, but really keen to help carry messages that were going to serve their communities, and they were much more trusted than the United Nations," it was further admitted.

"This idea that all speech is equal is not true," said another."

type of rhetoric in a more palatable way – now, they no longer care, it would appear.

This is the essence of the "great reset," at least as WEF head Klaus Schwab envisions it. The globalists from their ivory towers instruct social media and tech platforms as to what information is acceptable, and this is what becomes of the internet is that it becomes a propaganda tool rather

With TikTok specifically, the UN unleashed a project called "Team Halo" that aimed to boost official covid messaging from the government over independent content. Remember that TikTok is owned by the Communist Chinese Party (CCP), so all covid messaging conformed to the Chinese model of dealing with covid.

According to Fleming, Team Halo was part of the UN's "trusted messenger project" in which the UN trained "scientists" and "some doctors" on TikTok to push the government's covid propaganda.

The top funder of all this propaganda is none other than the United States government followed by the Bill & Melinda Gates Foundation, which remains a premier contributor to the World Health Organization (WHO). Also included as top WHO funders are the United Kingdom, Germany, the GAVI Alliance, the World Bank, and numerous other globalist-controlled entities.

"The unelected globalists' authoritarian attempts to remake society out of the destruction of the old are becoming increasingly more obvious and desperate as the people's trust in the global elites continues to crumble," reported *The Exposé*.

They know Saturn turned people into zombies. Zombies destitute of intelligence only seek pleasures of the flesh. The deadly sins add up and they perish.

The wise shall always rule and the unfortunate perish. Such is life of human.
